LIFETIME PLANT WARRANTY

The plant warranty is for a lifetime as long as Estate Landscape is contracted to maintain the landscape. This is transferrable to new owners if the home is ever sold. Same conditions apply to any future owners regarding the continued maintenance. Without the continued maintenance in place, the warranty is one year from the date of completion.

SPRINKLER WARRANTY

The sprinkler warranty is for up to 4 years provided Estate Landscape is contracted to service the sprinkler system. This includes spring activation and fall winterization. This is transferrable to new owners if the home is ever sold. Same conditions apply to any future owners regarding the sprinkler system warranty. Without the continued maintenance in place, the warranty is one year from the date of completion.
